

Little boxes on the hillside,
 Little boxes made of ticky tacky
 Little boxes on the hillside,
 Little boxes all the same,
 There's a green one and a pink one
 And a blue one and a yellow one
 And they're all made out of ticky tacky
 And they all look just the same.

And the people in the houses
 All went to the university
 Where they were put in boxes
 And they came out all the same
 And there's doctors and lawyers
 And business executives
 And they're all made out of ticky tacky
 And they all look just the same.

And they all play on the golf course
 And drink their martinis dry
 And they all have pretty children
 And the children go to school,
 And the children go to summer camp
 And then to the university
 Where they are put in boxes
 And they come out all the same.

And the boys go into business
 And marry and raise a family
 In boxes made of ticky tacky
 And they all look just the same,

There's a green one and a pink one
 And a blue one and a yellow one
 And they're all made out of ticky tacky
 And they all look just the same.

Les élèves américains et canadiens passent souvent les vacances d'été dans un **summer camp**. C'est une sorte de camp de vacances avec des huttes ou des tentes. Les enfants, entourés par de jeunes adultes, font des jeux, du sport et du bricolage. (Pour les Européens avec de bonnes connaissances d'anglais, c'est aussi un bon moyen de pratiquer la langue).
