

Robert Marley was born in 1945 in Nine Mile, Jamaica. When he moved to Kingston **he heard American blues and soul music on the radio**. He began to sing and write music. He played ska, a fast dance music with an African beat. **Later his music used a slower rhythm with a strong back beat. This was called**

Jamaica is an island in the Caribbean Sea. It is south of Cuba and west of Haiti in a group of islands called the West Indies. About two and a half million people live in Jamaica. English is the official language. The weather in Jamaica is hot and sunny and many tourists visit the beautiful beaches.

reggae. In the 1970s, Bob Marley and *The Wailers* became famous in the West Indies and then in Britain. They made the first reggae album *Exodus* in 1977. **Marley thought that it was important that black people in North America remember their African roots**. He thought a black king in Ethiopia, called Ras Tafari, could save all black people. **His songs were about freedom, love and peace**. He died of cancer in 1981. He was only 36 years old but his music will live for a long time.

move: bouger, déménager
beat: rythme

root: racine
save: sauver

freedom: liberté

remember signifie “se souvenir de”

(En français ce verbe est réfléchi et s’emploie avec une préposition, **pas en anglais!**)

1. Je me souviens de Bob Marley. – *I remember Bob Marley*
2. Te souviens-tu de sa musique?
3. Je ne me souviens pas de la musique.
4. Peux-tu te souvenir de son premier album.
5. Elle se souvenait de Bob Marley.
