

There is a car race near our town every year,

In 2006 there was a very big race.

There were hundreds of people there.

Sue and I were at the race.

Our friends, Karen and Kevin were there, too.

You can see us in the crowd.

We are standing on the left.

There were twenty cars in the race.

There were English cars, French cars, German cars,

Italian cars, American cars and Japanese cars.

It was an exciting finish.

The winner was Tom Freezer.

He was in car number fifteen.

Five other cars were just behind him.

On the way home Sue said to me,

„Don't drive so quickly. You're not Tom Freezer.“
