Dear / Hello / Hi

Thank you / Thanks / Many thanks for your letter / e-mail / postcard / I'd / I would very much like to be your penpal / penfriend. I'll try to write in English. I've been learning English for one and a half years now. I'm afraid I make mistakes. But I hope you'll understand. My name is, but my friends call me..... I'm 14 years old. I'm rather tall (1 m 70 cm) / not very tall (1 m 45). My hair is dark / fair / blonde. I have two sisters and a brother. They are younger / older than me / than I am. Barbara is four, Max is eleven, and Anna is nineteen years old. Anna is a student / an apprentice. She is going to become a teacher / a nurse / computer technician / software engineer. My father is a mechanic / owns a garage / runs a shop / He works in Bern. My mother is a photographer / a waitress / works as a bus driver. We live in a small house / a modern flat near a little lake / on a busy main road. We have a big lawn where my brother and I often play football. I'm sending you a picture / photo of our house and my family. The girl with the fair hair and wearing glasses / boy standing near the front door, that's me. We have a dog / a cat, too. His / her name is Putzi. Our place / village is not far from Bern, about ten kilometres. Bern is the capital of Switzerland. It's an old town. Our place was formerly a little village with some farmhouses. But since then a lot of people working in Bern have come to live here. I often go / I never go to Bern because my friend lives there / because I don't like noisy cities. I usually go to Bern by bus / by train / by bike. I like to go shopping / to play the guitar / to go swimming. I'm fond of reading books / listening to CDs. But my chief interests are cycling and mountain climbing. We often spend our weekend in the Alps. My favourite book is Harry Potter and the Chamber of Secrets / group is Lazy Boys. I'm glad to hear that you collect coins from all over the world / postcards from foreign countries / pictures of railway trains. I'm sending you some rather nice ones showing an old tramway of Bienne. Like you I play the piano, but I haven't got much time to practise. We always have a lot of homework. When you write, don't forget to tell me what your hobbies are. Have a look at my time table: My favourite subjects are: English / French/ history. I don't like mathematics. By the way: our class teacher is a computer fan. So we have our own home page. The address is: www.my-class.ch. There you can see a lot of pictures of my friends and my school. Please send me a copy of your time-table. I'll tell you about one of our lessons: The history teacher goes out of our classroom. After a five minute break the next teacher enters and goes to his / her desk and says: Good morning, please take your test book... Wednesday afternoon is always off. Writing in English is good practise for me, and If I make any bad mistakes I hope you will correct them for me. I'm looking forward to your letter / e-mail / answer.

Bye for now / Love / Yours, / Best regards / Kind regards / All the best
