

I knee near nine nice night nurses.
Such a strange shop!
Four fierce frantic frogs from Frankfurt
I wish to wish the wish you wish to wish

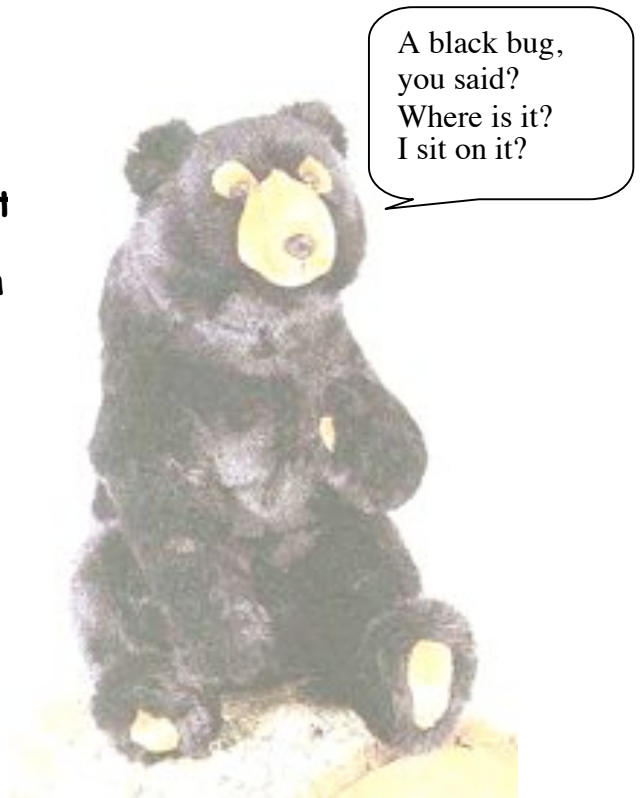

Suzie saw zero zombie in the zoo's zone.
A big black bear sat on a big black bug.
Danny's daddy draws doors.
From front to rear, from rear to front.

Larry is rarely really leery.
Sheila said sadly she should sit.
I would it I could, and if I couldn't how could I?
Does this sport shop sell short socks with spots?

First she seeks seeds. Then she sucks seeds
She shouted she should have a shoulder surgery
Free fresh French fries.
Wayne watched William when the wild waltz went wrong.

World wide web in the whole wide world.
Betty bought a motor boat. Betty boasts of her motor boat.

This non-bitter butter is better than this bitter butter but... bite into this bitter butter!

Nice boat, isn't it?
It's my boat.
